NOTES

The Trustees of the Elimination of Leukaemia Fund invite applications from doctors, nurses and researchers resident in the UK to apply for support to advance their knowledge and expertise in the treatment of or research into leukaemia and related haematological diseases.

Applications are assessed 3 times each year. The closing dates for applications are 30 August, 31 December and 31 April. You should note that it can take up to 2 months for applications to be processed and awards announced.

All questions on the application form must be completed.

Supporting papers, relevant to the purpose for which the application is being made, are important. Careful consideration need to be given as to whether a long biography and a listing of all papers published, whether relevant or not to the application, will be likely to contributed to a successful application.

The name and address of the organisation to which the applicant is affiliated is required. If you wish us to contact you at your home address please record this on the reverse of the application.

No application will be considered for an event that has occurred prior to the closing date of the review period.

If an award is made it may be for either all or part of the funding requested. If funding is being sought from other organisations it is important that this is declared and that the full cost of the activity or event is included so that the Panel can judge what proportion of the total cost you are seeking from ELF.

Successful applicants will be required to provide a report within 6 weeks of the completion of the activity or event and will be required to provide evidence, in the form of copies of invoices, for the expenditure incurred.

Only in exceptional circumstances will an application for a Fellowship be considered within two years of a previous successful application.

Please write clearly since the processing any application which cannot be easily read will be delayed.

If there are any queries regarding the completion of this application or the Fellowship scheme contact the Trust Secretary on 020 8778 5353.
