

What's your Credit Limit?

£100...£200...£1000...?

If you have a credit card you know that you can only spend so much. After that there's trouble if you try to go on using it.

In any case each month you get a statement recording how much you have spent, where and when; nothing gets missed out!

God's record

Not many know that God also keeps a record of the way we spend our lives. He remembers every time we offend Him by breaking His laws, and one day, when we die, we will have to pay.

On that day many people will look at God's list and realise for the first time that they only have one thing to pay with - their lives - forever.

"THE WAGES OF SIN IS DEATH".

But God offers us all a way out!

God's offer

He sent His Son, the Lord Jesus into the world to die a death He did not deserve.

God has told us in His Word, The Bible, that people who realise that they deserve His punishment and ask Him for forgiveness do not have to pay their own debt!

When they stand before God, instead of there being a huge list of sins against the record of their lives, God will see the words "Paid in full through the death and resurrection of Jesus Christ".

"FOR CHRIST DIED FOR SINS ONCE FOR ALL, THE RIGHTEOUS FOR THE UNRIGHTEOUS, TO BRING YOU TO GOD."

When you die, it will be too late to ask Jesus to forgive and save you. While you are alive however, there is still time.

No one knows when God will make the final demand. Don't leave it too late or you will have to pay the full price yourself... for ever.
